BOB REID · LEAD VOCALS, GUITAR

Bob Reid has been playing loud rock for nearly four decades. He got a drum kit in Grade 2, then found his mother's guitar under his parents' bed, and that was that. He formed the heavy metal band S.F.H. as singer and guitarist, and in 1988 became the singer of Canadian thrash legends Razor. He fronted *Shotgun Justice* (1990) and *Open Hostility* (1991), and it was his idea to bring Razor back in 1996. Razor has since toured 18 countries. He started Bobnoxious in 2003, and in 2023 he was inducted into the London Music Hall of Fame.
